4) ARC CONTROL TYRE

4.1. At it's meeting on 12 February 2010 ARCom agreed that:

- (i) The only tyre authorised for ARC competitors at Rally Tasmania is the Kumho C03.
- (ii) As this is primarily a dry weather tyre, in the event of wet weather approval would be granted to allow for grooving of these tyres.

4.2. Having now received advice regarding the weather forecast over the period of Rally Tasmania and the possibility of wet weather ARCom authorises the grooving of tyres.

4.3. Grooving of the tyres may only done in accordance with the attached diagram as recommended by Kumho – 'Cutting of Kumho C03 Damp'. If required a further Bulletin will be issued to allow grooving to a Wet or Flooded cut both of which are extensions of the Damp cut.

4.4 The Kumho C03 tyres to be used are: 17 inch medium/hard compound, 18 inch hard compound.
