Change of Itinerary

Sections 8 & 9

Due to the non-appearance of the expected rain or breeze and the continuing dusty conditions, for Sections 8 and 9 the itinerary is changed as shown under.

All competitors will run with a 2 minute interval.

The effect of this over the combined WRC & ARC Itineraries requires changes be made to which stages can be contested by all categories.

ARC (2WD) and SUV – will contest the first loop of stages only (SS17, 18 & 19)

Classic crews - will contest the first loop of stages only (SS17, 18 & 19)

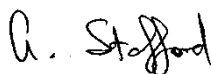

4WD National Series - will contest the second loop of stages only (SS 20, 21 & 22)

Side by Sides – will contest the second loop of stages only (SS 20, SS21 Parts 1 & 2 & SS22)

Revised Itinerary Itineraries and Start Lists will be published as soon as possible

Note from Clerk of Course:

My sincere apologies for the constant change of itineraries. We are very mindful that we are taking away competitive distance for all competitors. Not only have the weather conditions been exceptionally dry and the wind almost non-existent, but the forecasts have also been very unreliable. The changes are necessary to try to ensure you have sporting conditions – albeit with less distance.
