Speed Reduction Zones - elapsed stage times

Categories

Classic, Classic GT, Early Modern, GT4 & GT2

On completion of each stage Rally Safe will display an elapsed time on the screen.

For those stages that include a Speed Reduction Zone please note that the elapsed time on your screen will not include the time spent within the Speed Reduction Zone. This display of time will only apply to the Rally Safe unit in your vehicle.

Rallysafe website, phone app and Results on the Targa website will display the actual and correct times for each stage. These times are the times applied for the event results only.

Please refer to these times prior to making enquiries to the CRO's.

A handwritten signature in black ink, appearing to read "H. Marquis".

**Hamish Marquis**

Clerk of the Course
